Home sauna budget worksheet

Fill in your own written quotes. Ranges and examples are in the ContrastNest home sauna cost guide.

Sauna (check whether heater/controls are included)	
Heater + control + stones (if not included)	
Electrical: new circuit (written quote)	
Panel/subpanel upgrade (if needed)	
Trenching/conduit (outdoor)	
Permit + inspection	
Pad/foundation	
Delivery to final location / installer	
Accessories (bucket, ladle, thermometer, cover)	
Total upfront	
Running cost: kW x hrs x $/kWh x sessions/mo	

Not a quote. A licensed electrician sizes the circuit; check permits locally. ContrastNest.com
